Current: 77

Target: 80

Mode: Cool

Fan: Auto

POOL

Current: 72

Target: 0

Mode: Heat

ONE OF THE BIGGEST ADVANTAGES OF SMART HOME COMES FROM

BUSINESS INTELLIGENCE

What You Need To Know & When

The real-time status of your properties appears on your enterprise dashboard.

Streamline Turn Days

Know when your guests have departed and the next guests arrive. Know the current cleaning status and send automated alerts to inspectors.

Eliminate The Problems With Keys

Going keyless puts an end to lost, stolen and copied keys. No more guest lock outs. Your liabilities are reduced and guest security is increased.

Save Energy

Receive alerts and automatically adjust temps when HVAC systems exceed thresholds.

PointCentral Smart Home Technology Delivers Benefits For Guests, Homeowners and You!

- Homeowners are opting in for Smart Home technology including the costs - More than 90% say Yes!
- Guests love the convenience and security of Smart Home and prefer it over properties without.
- Vacation rental managers reduce liability, improve operational efficiencies, and increase profit!
